**GALLUP POLL SOCIAL SERIES:  
WORK AND EDUCATION**

-- FINAL TOPLINE --

Timberline: 937614  
T:448  
Princeton Job #: 21-08-010

August 2-17, 2021

---

Results are based on telephone interviews conducted August 2-17, 2021 with a random sample of –1,006—adults, ages 18+, living in all 50 U.S. states and the District of Columbia. For results based on this sample of national adults, the margin of sampling error is  $\pm 4$  percentage points at the 95% confidence level.

For results based on the sample of –490—national adults in Form A, the margin of sampling error is  $\pm 5$  percentage points.

For results based on the sample of –516—national adults in Form B, the margins of sampling error is  $\pm 5$  percentage points.

For results based on the sample of –506—adults who are employed full- or part-time, the maximum margin of sampling error is  $\pm 5$  percentage points.

For results based on the sample of –224—parents with children in Kindergarten through Grade 12, the maximum margin of sampling error is  $\pm 8$  percentage points.

Interviews are conducted with respondents on landline telephones and cellular phones, with interviews conducted in Spanish for respondents who are primarily Spanish-speaking. Each sample of national adults includes a minimum quota of 70% cell phone respondents and 30% landline respondents, with additional minimum quotas by time zone within region. Landline and cell phone telephone numbers are selected using random digit dial methods. Gallup obtained sample for this study from Dynata. Landline respondents are chosen at random within each household on the basis of which member has the next birthday.

Samples are weighted to correct for unequal selection probability, non-response, and double coverage of landline and cell users in the two sampling frames. They are also weighted to match the national demographics of gender, age, race, Hispanic ethnicity, education, region, population density, and phone status (cell phone-only/landline only/both and cell phone mostly). Demographic weighting targets are based on the March 2019 Current Population Survey figures for the aged 18 and older U.S. population. Phone status targets are based on the July-December 2019 National Health Interview Survey. Population density targets are based on the 2010 census. All reported margins of sampling error include the computed design effects for weighting.

In addition to sampling error, question wording and practical difficulties in conducting surveys can introduce error or bias into the findings of public opinion polls. For questions about how this survey was conducted, please contact [galluphelp@gallup.com](mailto:galluphelp@gallup.com).

---

12. *(Asked of adults who are employed full or part-time)* Now I'll read a list of job characteristics. For each, please tell me how satisfied or dissatisfied you are with your current job in this regard. First, are you completely satisfied, somewhat satisfied, somewhat dissatisfied, or completely dissatisfied with [RANDOM ORDER]?

**BASED ON --506-- ADULTS EMPLOYED FULL OR PART-TIME**

<i>2021 Aug 2-17</i> (_____)	Completely satisfied	Somewhat satisfied	Total satisfied
Your relations with coworkers	72	23	95
The physical safety conditions of your workplace	72	20	92
Your job security	67	25	92
The flexibility of your hours	65	22	87
Your boss or immediate supervisor	63	25	88
The amount of work that is required of you	55	30	85
The recognition you receive at work for your work accomplishments	52	29	81
The amount of vacation time you receive	52	26	78
The health insurance benefits your employer offers	45	22	67
Your chances for promotion	42	28	70
The amount of money you earn	38	37	75
The retirement plan your employer offers	38	29	67
The amount of on-the-job stress in your job	32	36	68
